

Tim Robinson has joined **The Research Partnership** as director of Therapy KnowlEdge. Previously he was an account director at P/S/L Group.

Tim's research experience spans therapy areas, particularly autoimmune disorders, having started his career as a molecular immunologist at Novartis.

Diarra Peereboom also joins the team as panel manager. She has over 5 years experience in fieldwork management at Fieldwork International.

Mei Chen Lee will also shortly be joining the new Toronto office. Mei recently completed her MSc in marketing and consumer studies.
